A and then collapses right over it Nobody escapes but the newspaper re-porters and book agents.

a scientific and philisophical standpoint. The sleep-walker, it will be found, still retains a dim idea, even of November, 1882.

J. T. AKE. Administrator. affairs when he went to sleep. For in-stance, if he leaves his clothes in a cerstance, if he leaves his clothes his clot

ing sleep, and this one question of slumbering mind and its memory of facts existing prior to sleep was the most remarkable thing about it all to us. We puzzled over that a good deal. At night we would retire to rest and the next thing we would know we would wake up in the middle of a continguous melon patch, and there would be two or three other somnambulists there in the same patch, and as much surprised as we were. Still there is the same truth staring us in the face. Every somnambulist there had through his

The same patch, and as index surprised and all back years, at the times and places below states, viz :

Dent township, D. S. Love's, September 4th and 5th. sleep retained in his semi-conscious state a perfect recollection of where every article of his clothing was and how to get out of the up-stairs window without waking the old people. Bye and bye the owner of the melon

patch procured, at great expense, a large humorous bulldog, who was also a somnambulist. He walked in his sleep a good deal. That is why we quit. We didn't propose to descend to the level of the brute creation. We have the level of the brute creation and 22d. just said, if a bulldog wants to somnam, Liberty township, Marble Creek, Polk's he can do so and we will leave the field store. September 23d.

Perhaps the casuel reader has never sat down on a buzz saw and felt himself gradually fading away. If so, he does not know what it is to form the acquaintance of a somnambulist bull-

acquaintance of a somnambulist bulldog in the prime of life.

After that, somnambulism didn't
have such a run in our family for a
while. We never slept so sound that
we didn't remember places and objects
that had made an impression on us
prior to slumber, and that is why we
say that there is somthing in this met say that there is somthing in this mat-ter that scientists would do well to look into-Boomerang.

### How She Won Rim.

I have just heard the most remarka-ble story of the evenness of female temper. It fact is seems so surpris-ing to me that I think some record of it should be embalmed in the archives of Quiz. It is a beautiful little fairy story, and may appropriately be called "How She Won Him." Indeed it was quite enough to win a far worse man, if the worse men are ever won, which I dare say they are not. It happened here in Philadelphia and is on this wise: You know, or rather you don't know until I tell you (for how should you?) that there was a beautiful dinner given "many years ago," and she sat opposite him and looked ever so charming in a wine-colored silk with a square neck, and otherwise arrayed as never were the lilies in any valley of this poor earth. Well, the idiot of a waiter in handling the soup, upset the entire contents of a plate right in her lap. Just think of it, girls! The whole front breadth utterly ruined, and for the world it could not be matched. Well, what did she do? Did she faint? Did she say "You horrid man?" Did she say "You horrid you?) that there was a beautiful dincalmly resumed her dinner. He, of

course, was delighted; thought her a most remarkable woman, and indeed In the Circuit Court of Iron county, Mo.,

Most people prefer a Welsh rabbit to a hair in butter.

It must be greasy work, this getting up a corner in pork.

It must be greasy work, this getting up a corner in pork.

It must be greasy work, this getting up a corner in pork.

It must be greasy work, this getting up a corner in pork.

It must be greasy work are the great woman, and indeed she was; became attentive to her, and finally married her.

One evening long after the event they were sitting before the fire, the children having gone to bed, and were talking about old times, when he said:

"My dear, I never told you, I think how I first thought I would like to be worden.

"My dear, I never told you, I think how I first thought I would like to the Circuit Court of Iron county, Mo., in vacation—Aug. 21, 1882:
